## How To Get Involved & Support Our Students!

Any PTSA Member is welcome to come to any of the monthly meetings and learn about what the PTSA is doing to improve our school and classrooms. There are a number of ways you can contribute. Just by checking out the new GPES Families facebook page and GPES PTSA website are great ways to see where we need your help! Whether you volunteer time at special events or in the classroom—you are making a difference and setting a prime example of how to build a strong community within our proud GPES Family.
